Bentley's 'Music Man' Departs;

PIONEER Salutes Robert Clark

A reflection of the school's accomplishments and achievements during the year must include all aspects of the learning process. This involves the extra-curricular side as well as the academic. Foremost in this area is Bentley's Band and Music Department. No small reason for this quality performance is the department's chairman and band director, Mr. Robert A. Clark.

Bentley's old, new and remodeled walls will echo with music once again next fall. There will, however,

be a significant difference. For the first time in fifteen years, Bob Clark will not be the man with the baton. Very few faculty members will be as genuinely missed.

Replaced? Oh, yes, Bob Clark will be efficiently replaced. But somehow, Bentley's old halls will undergo another personal change — perhaps more devastating than any physical one.

It is with great pleasure and much honor the year-book staff and its advisor dedicate the 1968 PIONEER to Bob Clark.

Board of Education Helps Provide

Livonia's Board of Education must maintain the facilities and high quality for the many students in the fastest growing area in Wayne County. Statistics show that enrollment increases greatly each year. It is the job of the Board of Education to anticipate these gains and provide for the necessary classrooms and teachers.

Board meetings are held regularly to discuss problems and vital topics. The public is urged to attend these meetings and present their views.

It is the main goal of this Board to provide better schools and as a result outstanding citizens. Community spirit and backing is necessary to help provide a better educational system. The Board of Education plays a most important and effective part in Livonia's education today.

Excellent Administration Reflects Work of

Jack R. Comstock: *Principal*, B.A., Michigan State University; M.A., University of Michigan.

Bentley's administration staff has the obviously difficult task of operating a modern high school that is quite large. The staff accomplishes this extremely hard job by combining careful management with a consideration for the educational program.

Daily tasks fall upon the principal, the assistant principals and their secretaries. Mr. Comstock's duties include the overseeing of the entire high school and the hiring of capable new teachers. There are three grade level principals at Bentley. Each must concern himself with the general interests of his particular grade and the needs of the students in his class. All the secretaries help to keep the school running efficiently.

Our excellent school reflects the interest and concern of the entire administration.

There are many different departments at Bentley. Each has one person in charge, the Department Chairman. These people are responsible for keeping their particular branch running with little confusion. to the Future

The Business Education Department opens many doors into the business world. Bentley students are able to study the skills of retailing, advertising, typing and shorthand as members of this department.

After mastering these skills, students are given an opportunity to actually practice the techniques they have learned. For this purpose, Bentley offers separate work experience and co-op programs. Work experience enables the student to work for an hour or more each day as a departmental assistant or in an office. Co-op program provides an actual job outside of school. The school day for these people is shortened to four hours and a job is taken for the afternoon. This valuable experience permits students to obtain an insight into the field of business before choosing a career.

Science Classes Enable Students To Make

Bob Slater looks through the water in a glass container to find the diffraction of light.

Science has progressed rapidly and has brought about a new age, that of constant discovery. With many diversified science courses, Bentley students are given an opportunity to quench their curiosities about the fast moving world.

In classes such as chemistry, earth science, biology electronics and physics the student learns the basic principals of his particular science. Improving of present laboratories increase the process of learning by experience. Lab work enriches the student with background information. It is during these sessions that some of the most amazing discoveries are made.

With up to date textbooks, modern improving facilities and an interested, forward looking faculty, it appears as though the Science Department has found the successful formula for the transferring of knowledge.

Spanish students Janice Mekula, Keith Cezat and Carolyn Haupt explain different Mexican customs.

Improve World Relations

With our ever-shrinking world, the need for foreign communication is rapidly increasing. Bentley is proud of the fact that her Foreign Language Department is helping to fulfill this need. Modern equipment and new techniques enable students to better understand the language and cultures of foreign nations.

Choosing between Spanish, French, Latin, or German, language students not only learn the basic grammar skills, but the customs of countries that speak the language.

Students learn to use the language lab in order to improve their pronunciation. Not only do they practice speaking but writing is also stressed. Beginning with simple conjugations, the students slowly advance to more complex themes.

Students Creative Potential

Many divisions are found within the Art Department. Courses in sculpture, art and crafts, and painting give the student an outstanding opportunity for appreciation of color and form. If a student is interested in an art-related field as a career there are classes such as commercial art and advanced art techniques.

One of the major goals of the art classes is to develop the student's creative potential. The student exerts his skills through such materials as oil, ink, water color, plastic and pencil.

Creativity and individuality is reflected in the finished work. Not only does the student receive the satisfaction of creating a unique work, there are many times when projects are displayed. There is a general art exhibit in the senior lobby where outstanding works are shown at least once each year. Also the library contains many pictures created by Bentley students.

Becky Bennet works on a crown for the Senior Play, just a small part of the constructiveness of the art classes.

English Department Adds a

Mrs. Kivisto discusses mythology with Debbie White, Sue Croll and Cindy Cadwell.

This year Bentley completely revised and improved its English Department. In past years the student was given no actual choice to the type of English he must study.

Now, the Bentley student has over thirty different classes from which to choose. For those who wish to improve their writing habits, the Department has provided a course in expository writing and another in research techniques. Literature courses include several different classes in poetry, on the novel, mythology and the Bible.

Advanced Placement English alone survived the Department change. The fifteen members of this class are selected after being considered by several teachers. Throughout the year, these students prepare for the advanced placement examination which enables those qualified to receive college credit.

Counselors Guide

Mr. Relyea discusses problem with an interested parent.

Bentley's counselors help many students adapt to their role as a high school student. For many students problems may arise, but with competent management and friendly assistance these problems are soon solved.

Each year schedules must be made out with the thought of your future in mind. The counselors help in assisting you to make the right decisions. They recognize your potential and help you to put it to the best use.

The counselors of Bentley's guidance department devote their efforts to help you to adjust to the present community and the society of the future.

for Future

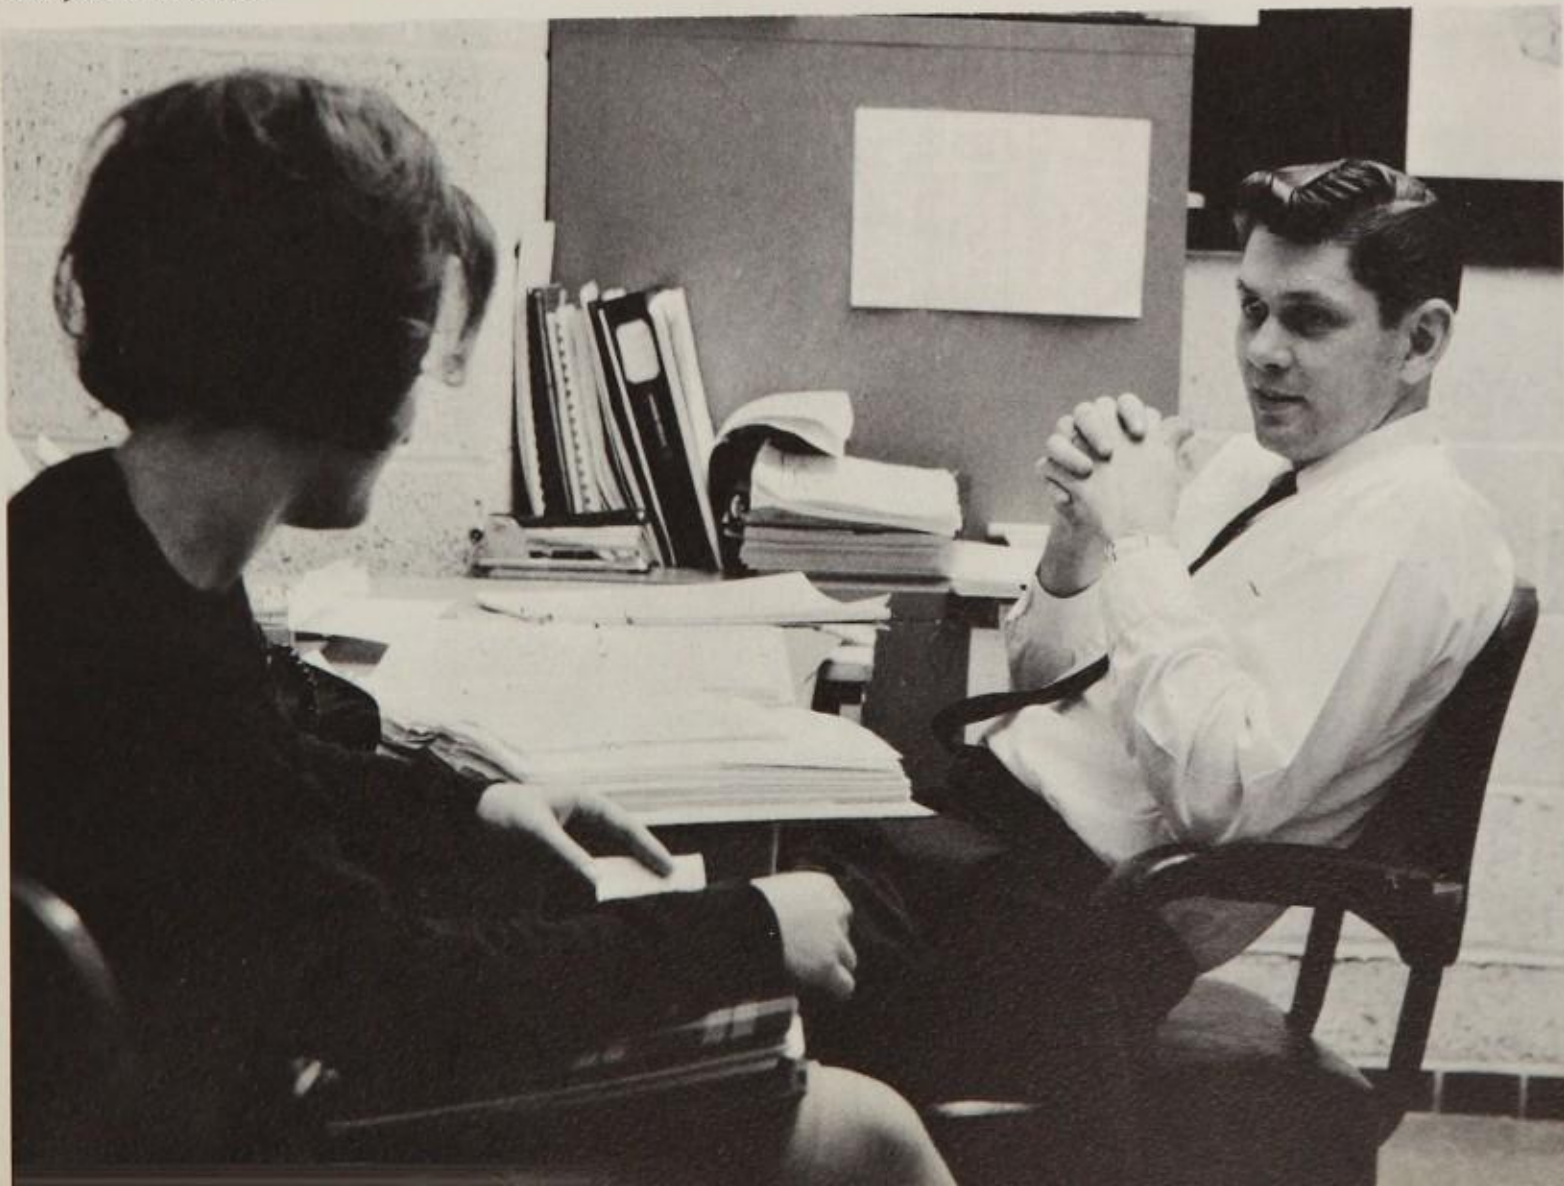

The friendly atmosphere of Bentley's counseling staff is demonstrated by Mr. Dingman, a Junior counselor.

Mrs. Prescott helps Mickey Urbats and friend decide on which college to attend.

One of the Junior counselors, Mr. McClain, assists a student in preparing next year's schedule.

Echo Records Bentley's History

With two thousand critics Sue Leidholdt finds that advice from Mr. Wayne, is helpful.

Wayne Larcinesi, Sue Leidholdt, Brenda Bazley, Gail Stewart, Gail Cunningham, Rita Ober, John Munro, Bob Johnson, Wendy Chambers, and Vicki Swinney make up this year's 1968 *Echo* staff.

Once a month the school newspaper, the *Echo*, is released for subscribers. The staff is responsible for satisfying their many customers. Pictures must be taken, ideas must be collected and creatively written into articles. All tasks completed, the *Echo* is then rushed to the printers in time for their deadline.

All activities are covered by the *Echo* staff. Some of the events covered are plays, dances, clubs and sports. A new addition this year is "Dear Susie", which helps you solve your problems.

Besides the responsibility of the *Echo*, the staff also sponsors the Homecoming dance and the Spring Frolic. Between these two dances both the boys and girls are given a chance to ask the person of their attractions.

Thanks to the hard work and conscientious effort of the *Echo* staff Bentley has a newspaper it can be proud of.

Editor-in-chief Bob Johnson and John Munro rush to meet their next deadline.

Cindy Parrish discovers that Home Economics creations do not always turn out.

It is the responsibility of Bentley's Home Economics Department to prepare girls for the future homes and families they will one day manage. The course stresses such areas as home management, nutrition, and interior decorating. As part of the basic instruction the girls prepare elegant meals, filling the school with delicious odors. They also excel in the art of creating their own wardrobes. Beautiful sweaters and other lovely items are often on display.

Today there are many more openings in the field of Home Economics. The demand for qualified women is rapidly increasing. Bentley certainly must be congratulated for its ability to prepare girls for these positions.

Concert Choir,

This year's Concert Choir has again shown itself to be a group that Bentley can truly be proud of. They work very hard and practice for many long hours to perform the many concerts that are required. It is through these concerts that the Concert Choir has obtained their reputation of excellence.

Their theme this year is "Once In A Lifetime." They perform this and their other songs with a fine blend of voices and beautiful tone.

The continued excellence of the choir is a tradition that has been set and is sure to be followed in the future.

Bentley has an excellent vocal music department. In addition to the Concert Choir there are the Selective Girls Chorus, Selective Male Chorus, Regular Girls Chorus, Regular Male Chorus, and the Glee Club. Through their songs they express to all that hear the wonderful world that can be opened by music.

These groups perform concerts not only at Bentley but also throughout the state. They train themselves and work hard with the hope they can become a member of the Concert Choir one day.

The choruses are a fine addition to our school as they demonstrate their talent and spirit in their performances.

B. Kiscaden, C. Galla, M. Miller, R. Gentz, B. Hermling, D. Cornwall, a few members of the Regular Girls Chorus practice their songs.

in Instrumental Department

Each year students and adults alike are fascinated with the enchanting melodies which are produced by the members of Bentley's Instrumental Department. Under the direction of Robert A. Clark and William Savola, the Concert Band, Junior Varsity Band and Orchestra has again upheld their reputations as the best in the area.

Although small in number, the Bentley Orchestra can be compared with any in the state. Members of the J.V. Band eagerly await the day when they may become a part of the Concert Band. This is accompanied by trying out for a position in the band.

Completing his final year at Bentley, Robert A. Clark has a great deal to be proud of. His Concert Band is composed of skill and an equal amount of enthusiasm. Each concert overflows with a love for music, which is an essential part of a Bentley performance. The band reaches its peak in the annual spring concert which is a favorite of all. As the final strains of Bentley's Alma Mater die away, another great band is added to the collection of Robert Clark.

"This Could Be the Start of Something Big" was the theme song of this year's marching band. Undaunted by rainy weather, the band marched through many a mud-filled field, while pouring all their spirit into the school's fight song.

Besides being a regular attraction during half-time, Bentley's marching band was again asked to participate in the annual University of Michigan Band Day. The band also proudly played its theme song while performing in Eastern's homecoming parade. As a finale, the band displayed its patriotism during Livonia's Memorial Day Parade.

Library Is Constantly Improving

As the center of Bentley's Instructional Materials Center, the library is in constant use. With the addition of the Special Permit, students are now able to use its facilities at any time of the day. Over 200 students can be seated at one time, while using the various sources.

Small conference rooms are available for those wishing to work on group projects. One of these rooms commemorates the life of J. F. Kennedy by containing a large assortment of books about this great man.

Ideas are being constantly thought of by Mr. Pate, Director of Instructional Materials, to improve the facilities of the library. Plans for a larger individual study area, where students may listen to records and tapes with the use of earphones, are being put into effect. Thanks to the great efforts of Mr. Pate, our library is constantly improving and increasing in size.

Bentley's Physical Education Department had a specific purpose in mind, to promote a more extensive athletic program. Added to the program were several non-credit advanced gym classes. Gymnastics, swimming, and sports classes are filled with students talented in these fields.

Every sophomore is required to participate in the Physical Education program. The boys are often found engaged in lively football games while the girls may be pondering over the fundamentals of field hockey.

In our world of today math is a very important element. New discoveries and theories obtain their basis from math. To keep up with this pace Bentley offers a wide range of courses from fundamental math courses to advance placement classes.

Any student can find challenge and help from the math courses with its fine staff of teachers and new up-dated books. Planned to prepare students for the future, Bentley's Mathematics Department is one of the most exciting departments in the school. Teachers show a great interest in their students and are excited over their subject. Bentley's students are lucky to have such a fine department in their school.

Over Year's Events

Bentley has proved that it is unique in every field. This has shown to be especially true in the publication of the 1968 *Pioneer*. "Reflections" is this year's theme and it is demonstrated on the cover as *Pioneer* is repeated several times.

Creating an excellent yearbook requires the development of various skills. There have been countless hours devoted in merely planning the pages for this year. Cropping pictures and writing copy follows. The finished product is one which is excellent in design and content. The endeavors of the *Pioneer* staff presents the school with a general view of the past year. Hard working students on the staff provide a yearbook which many will reflect back upon for memorable events.

Practical experience as well as knowledge is one of the major emphases made in the Industrial Education Department. Through such classes as automotive mechanics, machine shop, welding and wood shop the student learns the methods and puts them into use in the many lab sessions. Each diverse course plays an important role in the present age of technology.

Classes perform the vital part in preparing students for future occupations. Each student is provided with all the skills needed to start working immediately after high school. Many enrolled in the various industrial education classes are preparing to go on and gain further training and education in their chosen field. The superior quality of the classes offered at Bentley furnish excellent opportunities for preparing to continue with the additional training.

Social Studies Helps Prepare Students

This year team teaching has dominated the United States History department. All but a very few classes have conformed to this program. Team teaching provides some interest for everyone. The students are initiated into the program by weekly lectures held in the auditorium. Other days are spent in small seminar groups or individual research study. Discussion plays an important role in the students' education as it stimulates interest in the subject. Even a bit of role acting has been used to present creativity and knowledge.

Every senior, before graduating, is required to successfully complete one semester of American Government, which provides them with a basic understanding of how our society operates. Along with Government an additional semester of social studies must be completed. Psychology, economics, and international relations are courses strictly for seniors which can complete this requirement.

Bentley's social studies department provides the students with courses that are interesting and educational.

Backbone

Bentley's kitchen and custodial staffs are often a forgotten part of our school system. These are the people who keep the school operating smoothly and efficiently. The custodial staff spends a great deal of time keeping up the appearance of Bentley both inside and out. Always ready for the unexpected, these men are often found fixing a broken locker or repairing a flickering light. These are the people responsible for our afternoon and evening activities. Without our custodial staff this activity would be unattainable.

Arriving early each morning to prepare the day's lunches, the kitchen staff also plays an important role at Bentley. The staff must provide students and faculty with a well-balanced meal each day. Besides the regular "hot" lunch, hamburger and soup lunches are also furnished.

Both the kitchen and custodial staff are an irreplaceable part for the maintenances of our school.

Mildred Badder efficiently prepares the daily salad.

Bulldogs Demonstrate Scoring

Tim Malone (30) turns on the speed and his Farmington assailant finds his pursuit fruitless.

Fred Howell's face reflects the effort of the whole team as they racked up another score.

Coach Larry Joiner's Bulldogs came very close to posting an undefeated season. Maybe too close. The staggering amount of four points was all that separated the gridders from the league championship and a state ranking in the top five. Split second mistakes made the difference.

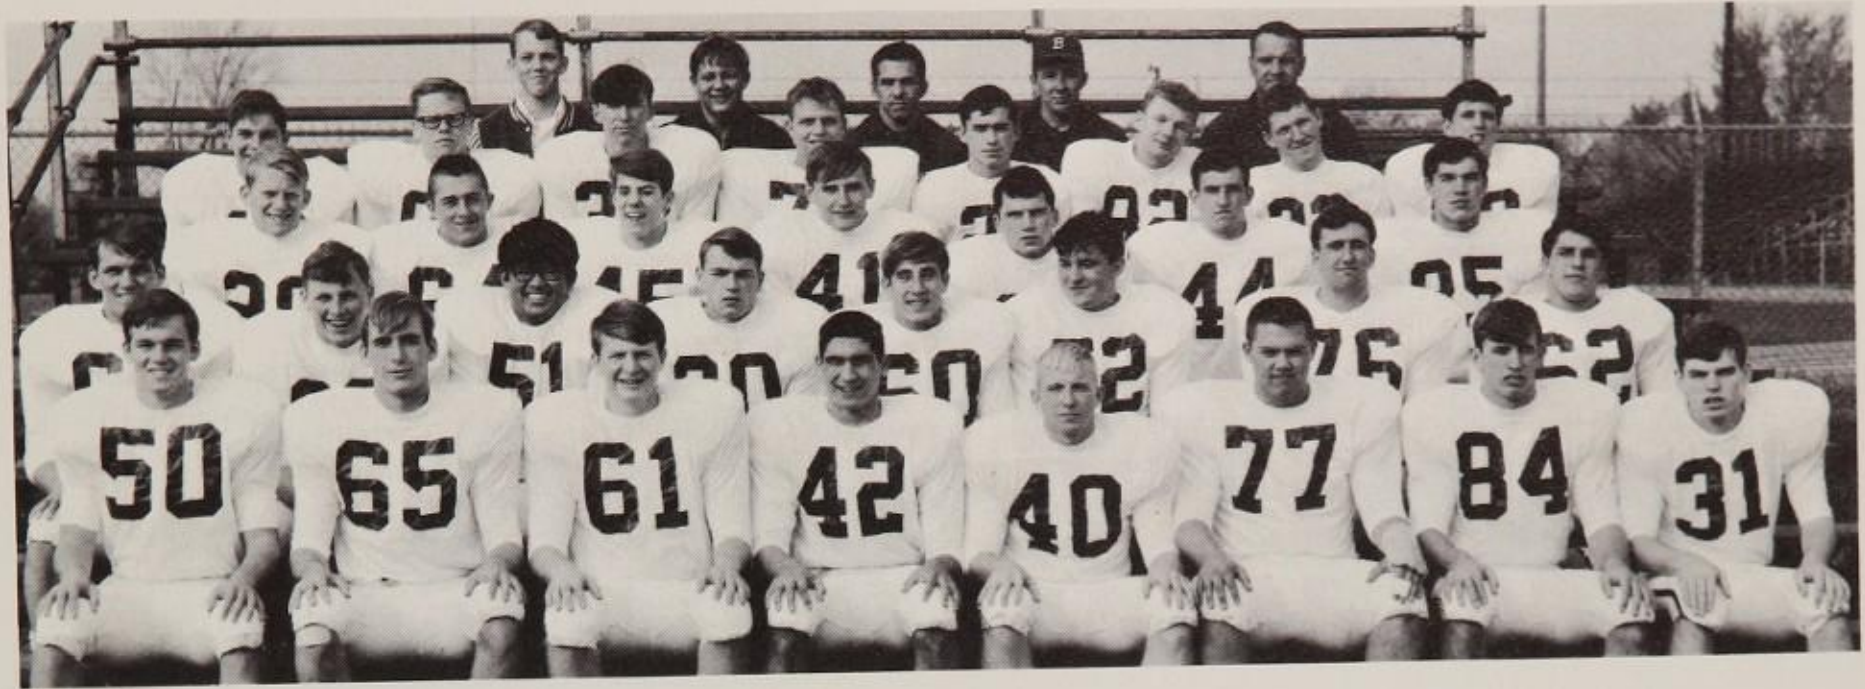

In compiling their successful record, the Bulldog attack garnished 164 points as opposed to only 57 for our opponents. We out-maneuvered our foes by more than 100 yards in total offense and yards rushing. Only five of quarterback Power's passes were intercepted compared to almost three times as many picked off by our secondary. Phil Shipley and Tim Malone must be congratulated for their intercepting abilities which were responsible for this fine record.

Our outstanding players were truly outstanding, as evidenced by the selection of the All-League football teams. On offense: tackle - Tom Garret, guard - Bill Rice, halfback - Leroy Watson, and quarterback - Jim Powers. On defense: center - Bob Buckley, nose man Danny Moritz, halfback - Phil Shipley, and halfback - Tim Malone. The second team choices also echoed the green and white. Dan Doyle, Bob Cascaden, and Bob Buckley were on this offensive team and on the second defense were Garret, Moritz and Rice.

City Champs Again!

Gene Elsner and Bill Rice know that once Leroy Watson gets in the clear — up, up, and away!

Phil Shipley and Tom Garret bear witness to a gang tackle, better known to our opponents as gang "beating".

The final test of the season came in the form of our cross town rival, Franklin. Bentley looked like a push-over to the co-champions of the Northwest Suburban League. Reminiscent of last year, the mud, rain and snow stood as judge, jury and hangman to the titanic struggle. Piling up 20 points and seventeen first downs, Bulldogs overwhelmed the mud-covered Patriots. Franklin's single first down was living proof of the might of our courageous defense, led by Paul Roy. All of these factors point to the domination of the green and white throughout the game.

The city crown rested, for the third straight year in the hallowed halls of Bentley, waiting for the next crusade to the south side of town in its honor.

Leroy Watson, scoringest back, sets himself as quarterback, Jim Powers, anticipates his moves in the next play.

Varsity Prospects Tie for Championship

For the second year in a row, the Bentley reserve football team tied for the league championship. This year's team wasn't one of the biggest in size, but they made up for it with hustle and desire.

In tight situations the call often went to Paul Miller, a back who ran with great consistency and speed. The workhorse of the team was Roy Garland who often times would require three or four men to bring him down. Al Covert, Skip Starbird, and Paul Cazabon teamed together on the line to produce enormous holes in the defense, so necessary to a winning team.

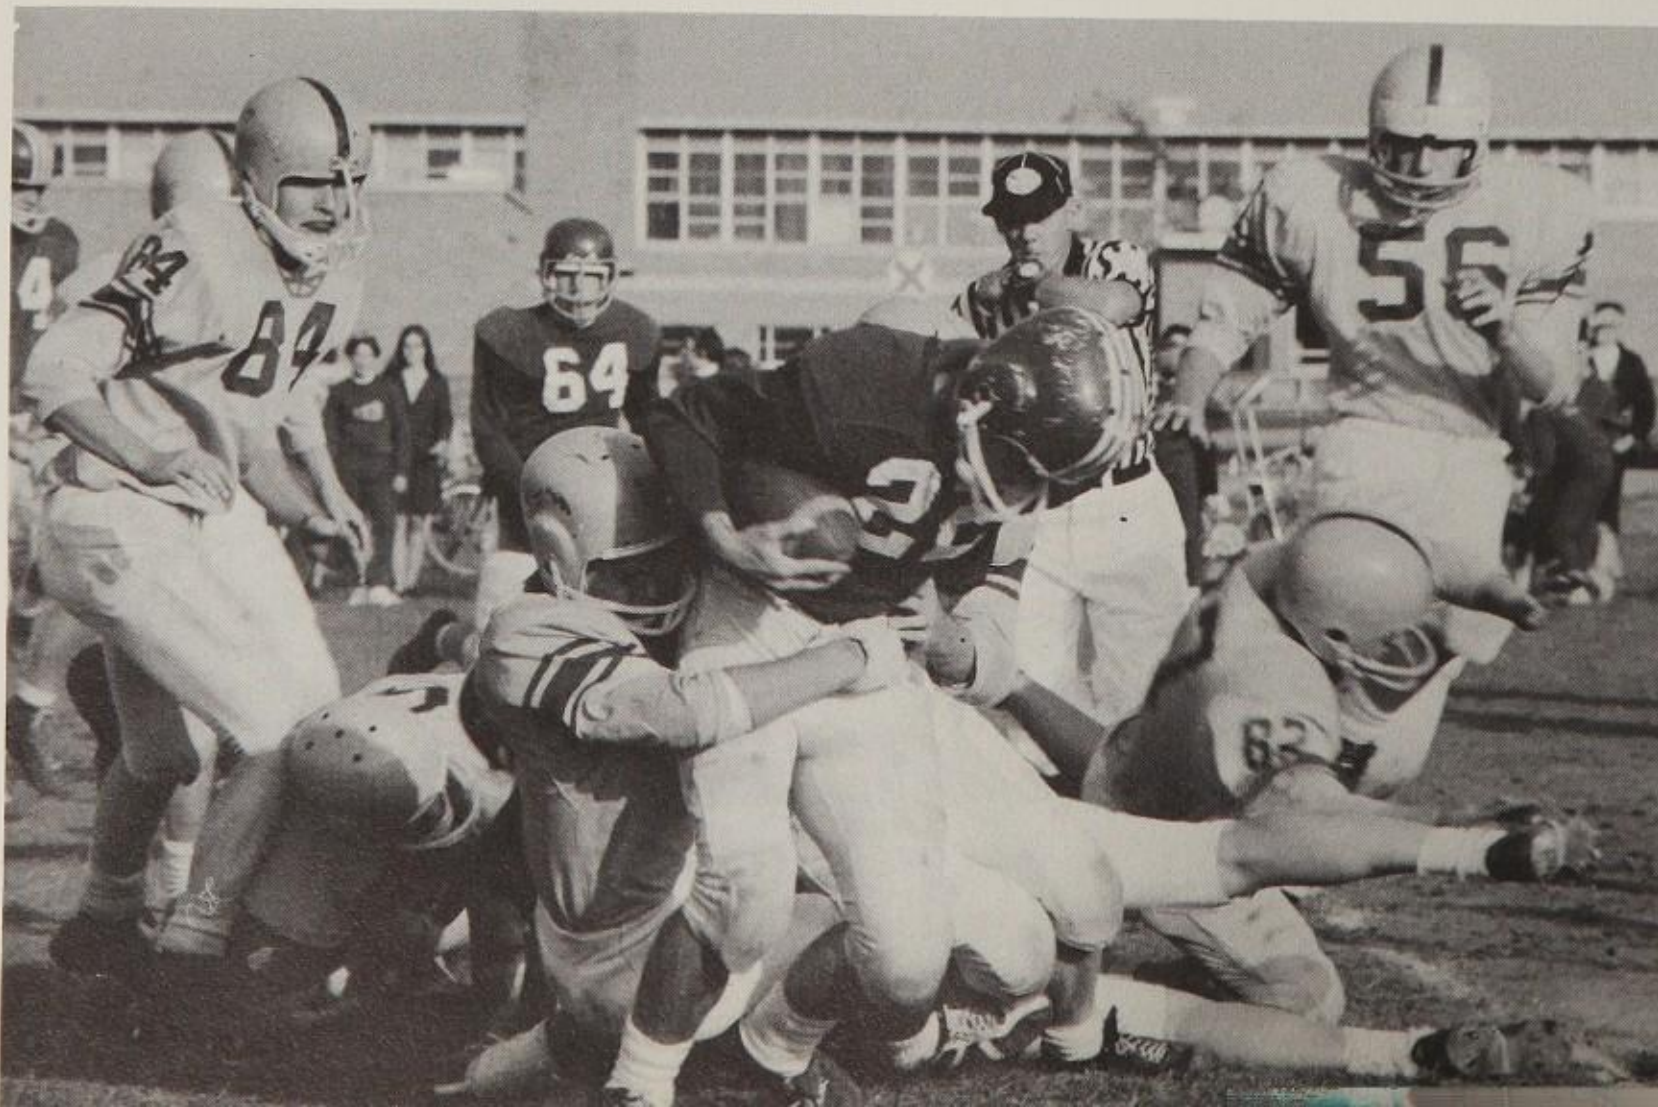

Both the offense and defense were excellent in the fact that the offense scored a total of 174 points, averaging 22 per game, and the defense allowed only a total of 69, an average of 8.6 points per game.

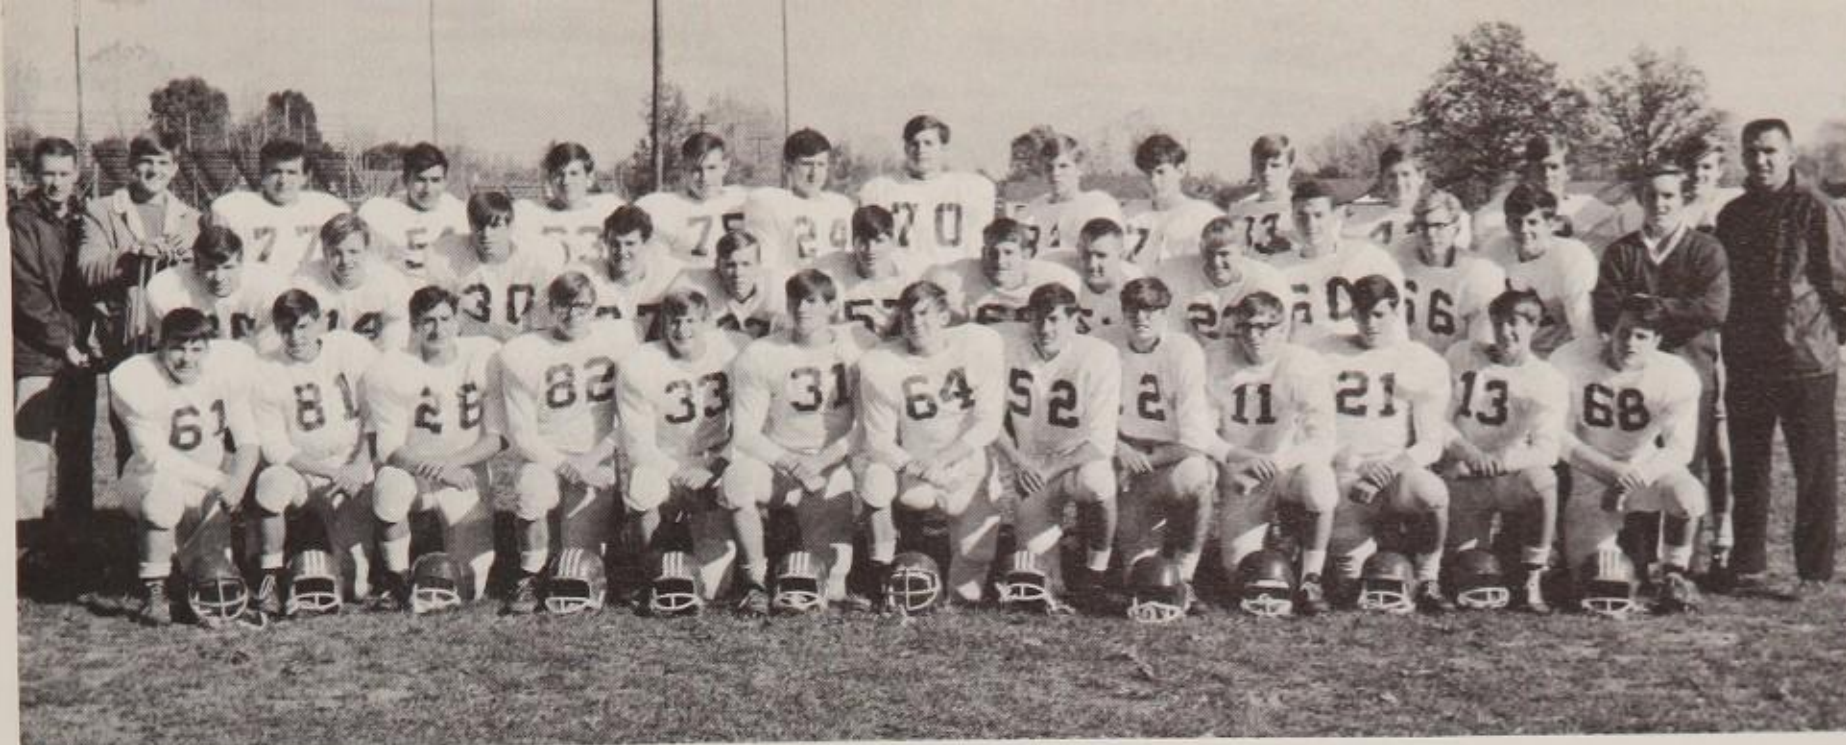

With the addition of these players to the Varsity next year, the outlook for the season is very bright.

Another race is completed for senior Rich Tadonio. Coach Fedraw records the runner's effort with the stop watch.

Senior and Captain Tom McGhie displays the form which won for him a place in this year's Class A Cross Country finals.

Bentley's Cross Country team, one of the first inter-scholastic participants each fall, met with a rather long autumn. Coach Fedraw's charges though light on experience were heavy on determination. The team's won three, lost seven record placed them in fourth in the Suburban Six race. The season was not entirely dismal; Tom McGhie, one of Bentley's brightest runners ever, had another fine season. Because this year's squad sports only two seniors, hopes are high for a better record in the future.

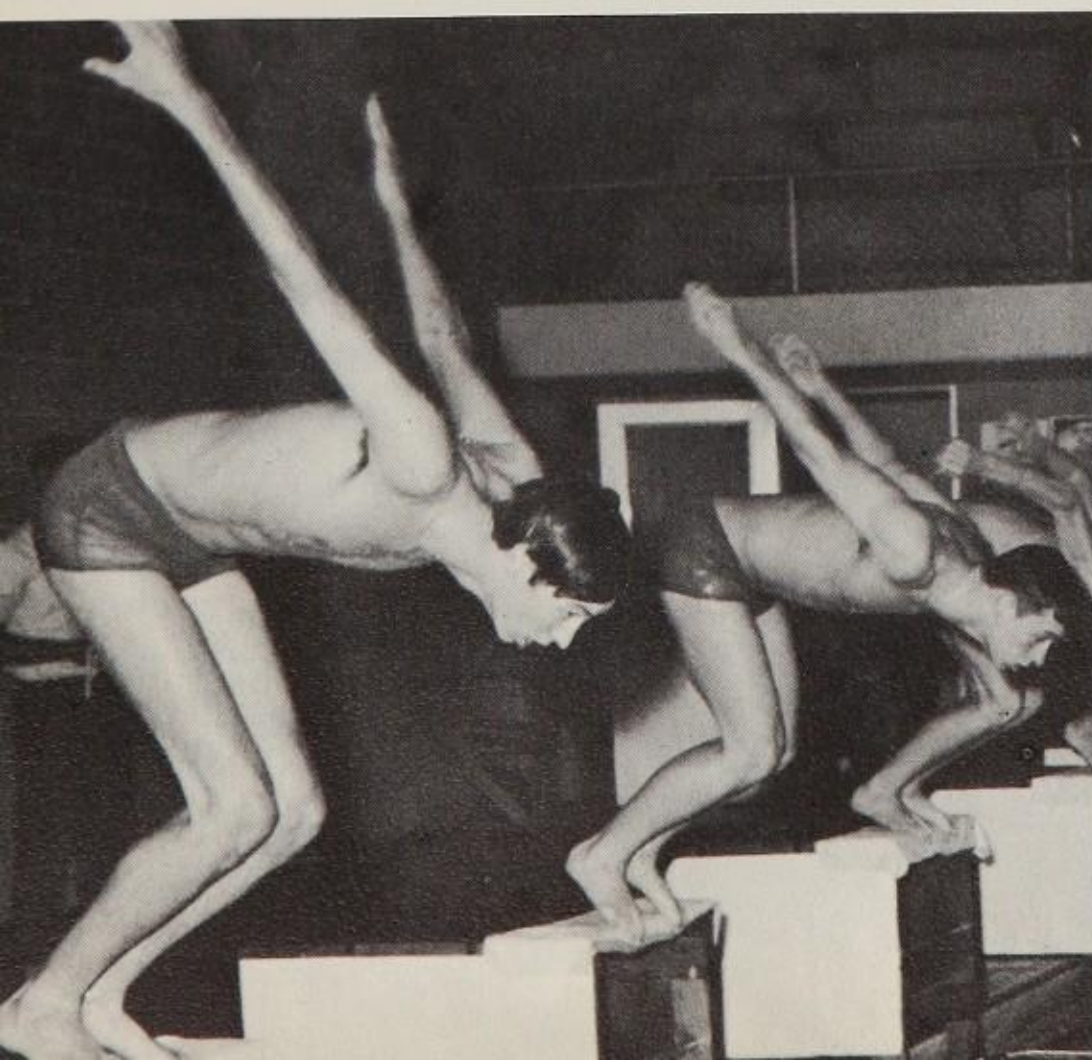

Coach Ron Fedraw, intently records his runner's efforts during a daily practice, hoping next year will be brighter.

Dave Kee pauses for a quick breath on the way to another victory in the individual medley.

Team Lacks Experience

Steve Sollenberger and B.J. Palmer prepare to outswim their Allen Park opponents.

The lack of experience seemed to sum up the team's problems this year. Although there was only one senior on the entire team, the tankers still managed to win four meets, and several losses were within one point.

Many individual performances sparked the team throughout the year and also gave them a bright outlook for next season. School records were set by Bill Palmer, 50 yd. freestyle, 23.5, and Bob Jepson, 100 yd. breaststroke, 1:08.2. These two, along with Dave Kee, journeyed to Ann Arbor and the State competition, where Bob placed 19th in the individual medley, and Dave finished as the 12th fastest in the state in the 200 yd. freestyle.

Due to the fact that the combined reserve and varsity teams, with the exception of one, will return next year, the team expects to return to prominence in the Suburban Six. With luck they will make it.

Bollin, Walt Blacha, Chuck Deveney, Dave Sterling, Jim Powers, Marv Hurlbert, Tim Malone, Per "moon" Sandberg.

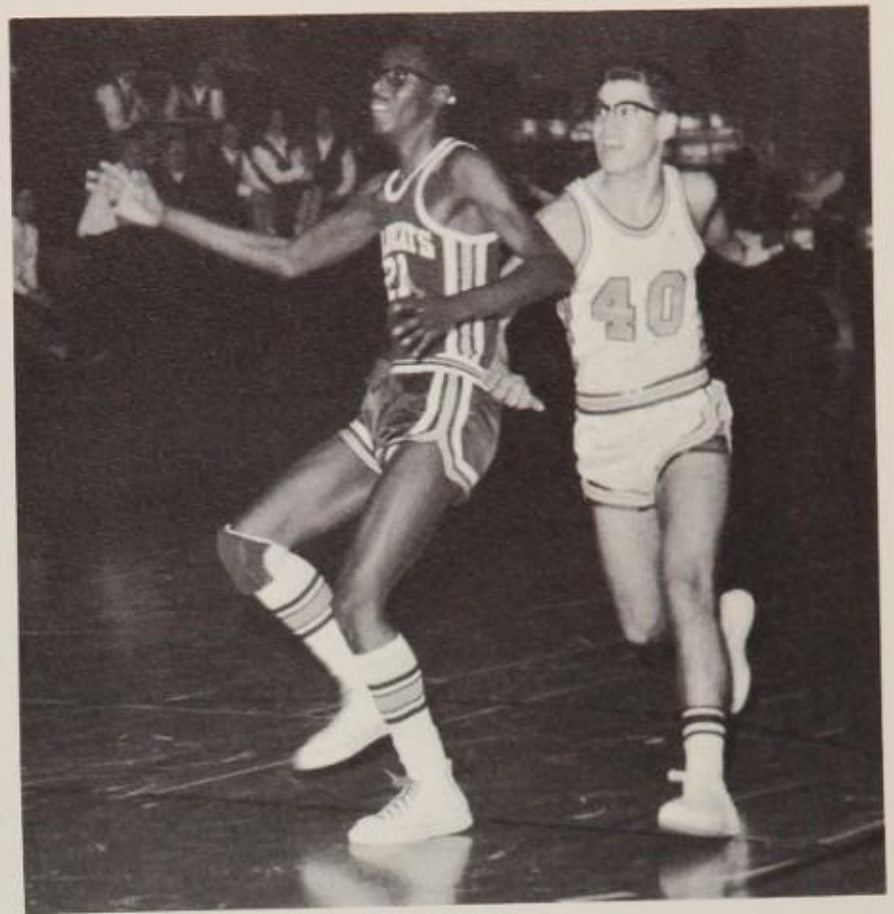

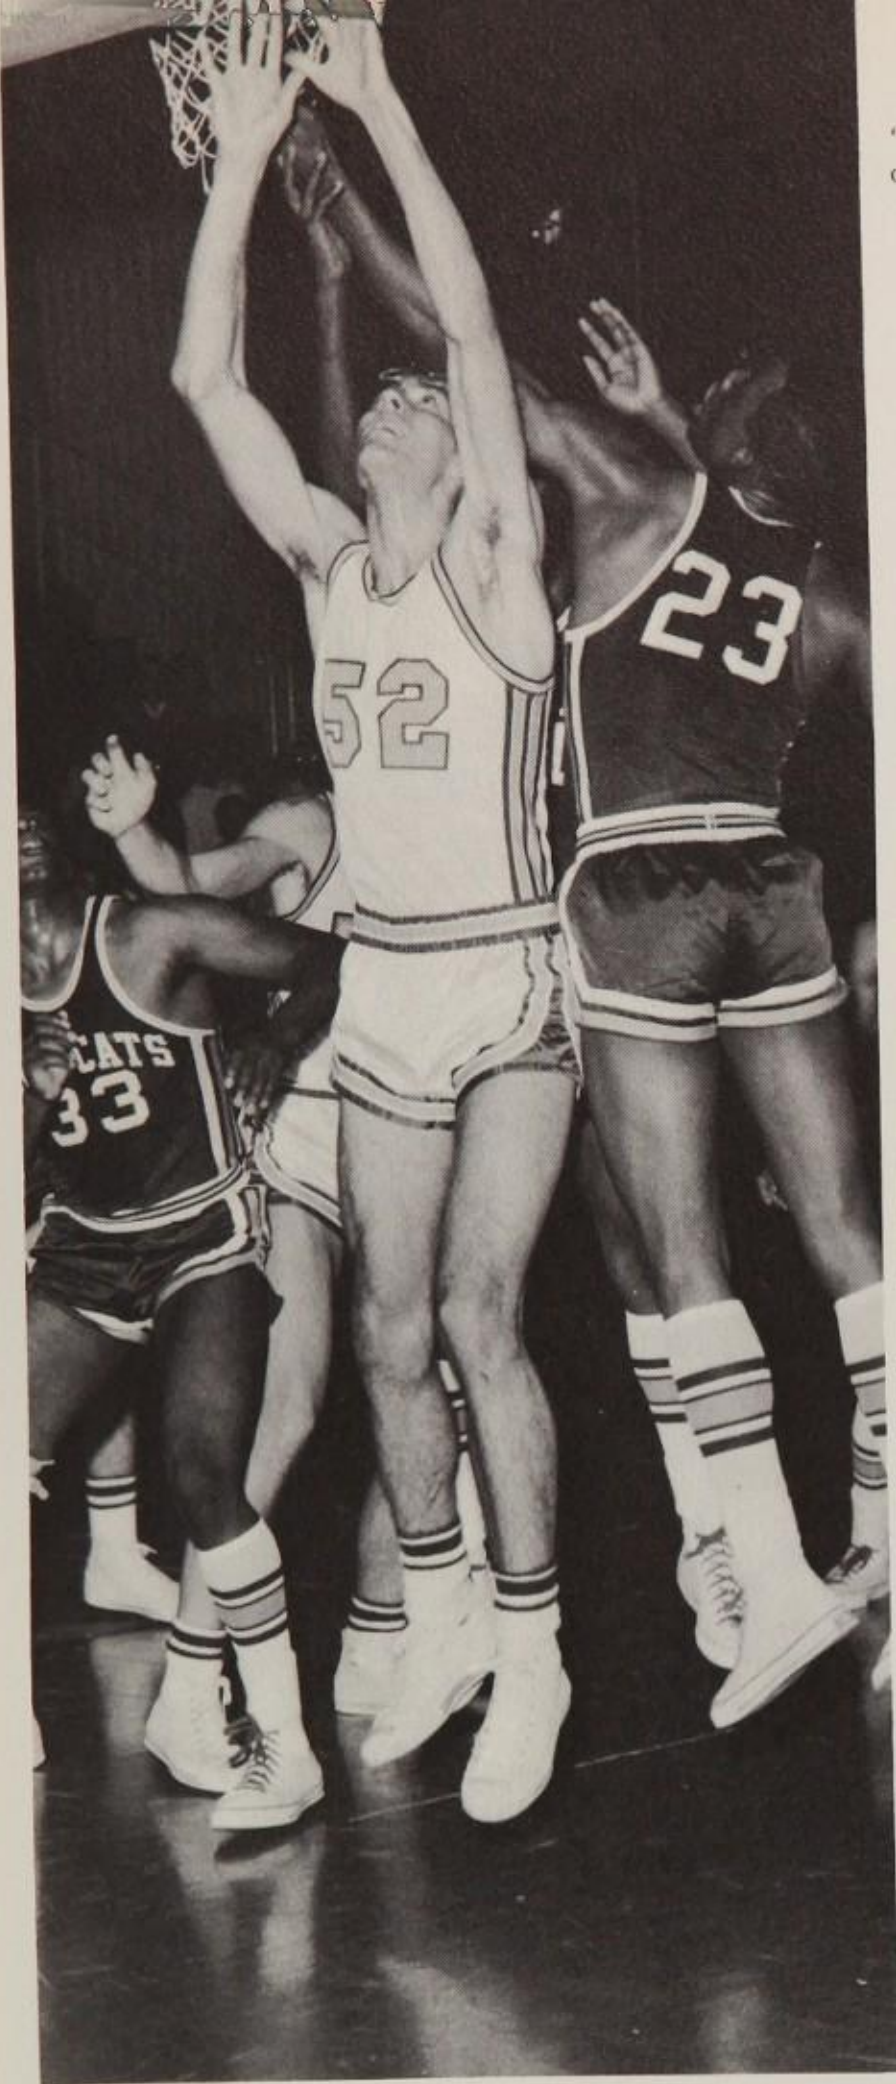

The Bentley Five lost two games in the regular and Xmas season of 1967-1968. The record books will always proclaim this. Look at these losses. Three points in one game and one point in another and the season could have been perfect. But this coin has two sides. The first Plymouth game was a fiasco, and one can only guess at what the breakdown was at that time.

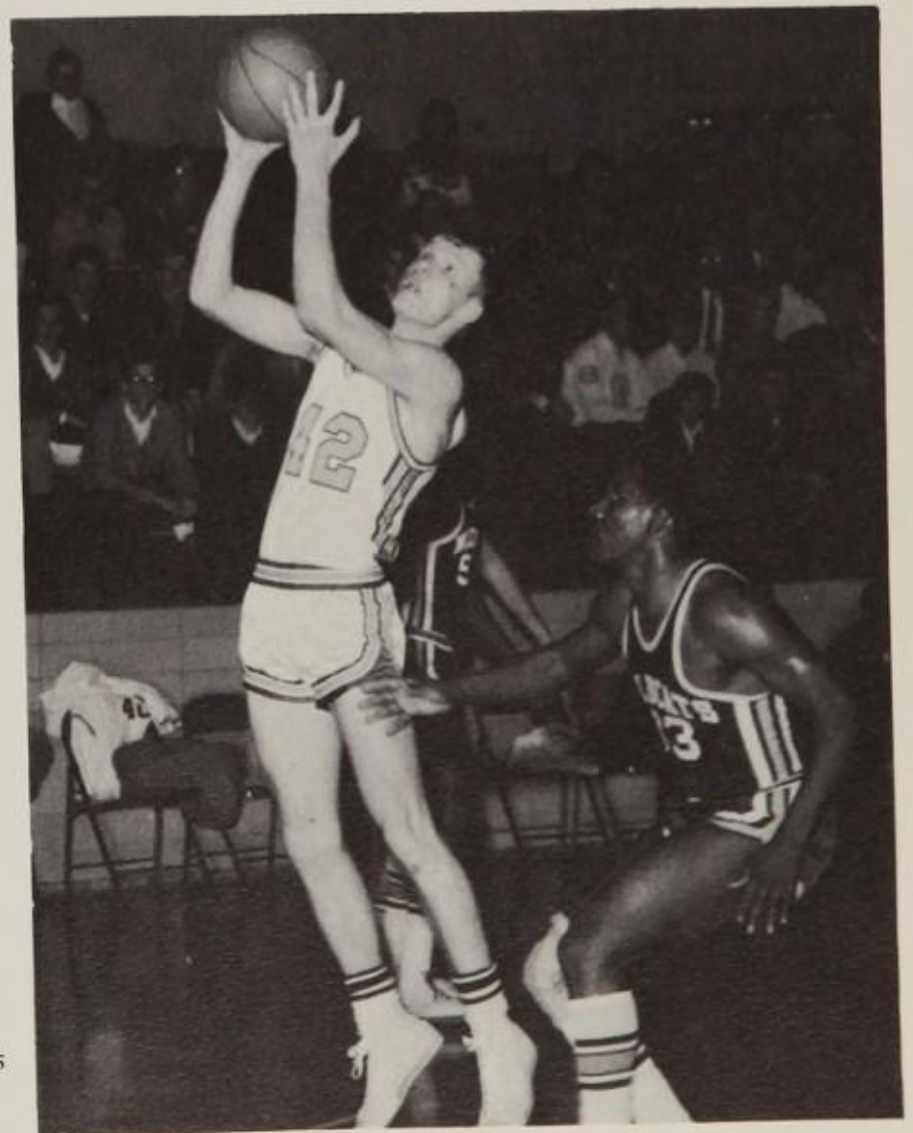

One thing is clear. This was a true ball team. These guys ate basketballs for lunch. Mr. Fefles saw to that — but they loved it. Returning seniors in the forms of Ken Bollin, Jim Powers, and Dan Doyle set up this classic year. And juniors like Leroy Watson, Marv Hurlbert, Tim Malone, and hard driving Dave Sterling are going to cop the Sub-Six crown again this year.

Walt Blacha came to Bentley as a junior and was soon whipped into shape and a starting position. Bill Waterston, Pat Mancinelli, and Chuck Deveney also bolstered the incredible green bench. Working hard all week to sit on the bench was not easy, but they wouldn't have traded it for the world!

The entire season bore witness to Dan Doyle's fabulous maneuvering and deadly accuracy.

Bentley Cagers Lose District;

After fifteen years of resurfacing the gym floor and pounding the glass back boards with those orange spheres, the Bentley five put together their second undefeated league season. The first time being last year, a pattern seems to be forming.

How can two years be so selfsame yet so inimical? Last year after three District wins the Bulldogs went two games into regional before losing. The state rating that year was somewhere in the oblivion below number twenty. This year the story had a wholly different face.

The first game in the District playoffs was Garden City West. From our position the game looked as just a stepping stone. Not so! With only 5 seconds left in the game, Jim Powers sunk the one and one foul shot which had the capacity crowd on its feet and tied the game. The overtime was no contest as Bentley recovered its balance.

All eyes fell upon Garden City East, the team our cagers had beaten by twenty-three points the previous year. Both teams played almost equally up until half-time. East jumped to a sizable but not unsurmountable lead in the third quarter.

Then came the most frustrating play in high school basketball. The stall had to be excellently executed to beat our boys. Somewhere in the stands a camera flashed and recorded the score that announced our defeat. Ironically we became the number ten rated team in the state. "Oh what might have been."

JV's Scramble to Third Straight Crown

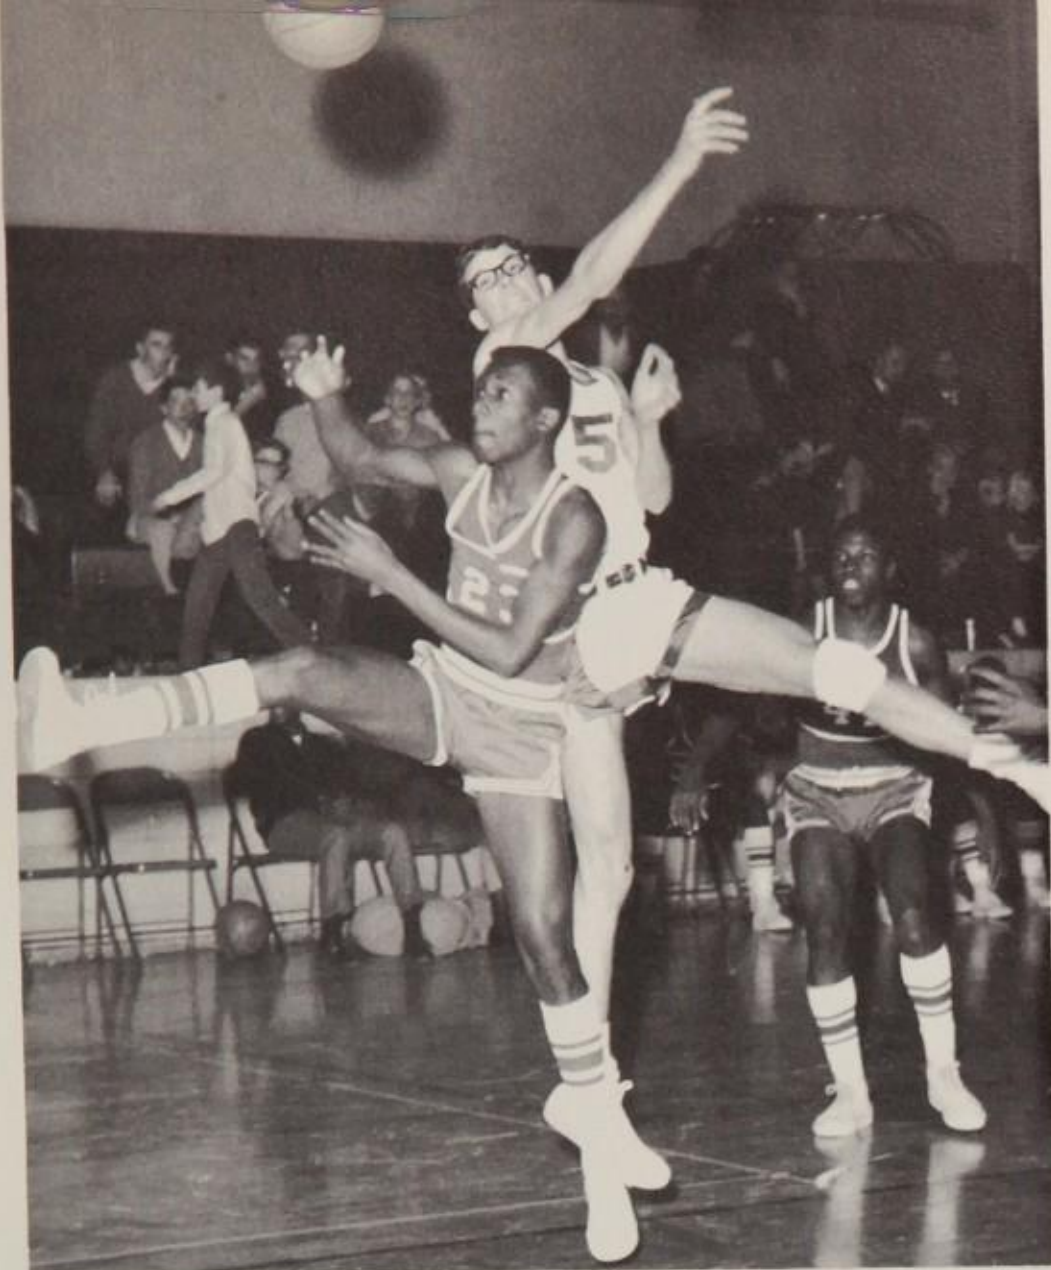

For the third year in a row the Bentley reserve team finished at the top of the Suburban Six league. This was not one of the biggest or most explosive teams ever assembled, but it was one that was characterized by hustle and desire. The team managed to win all but two games in the league, losing only to Redford Union and Plymouth, the latter by only three points.

Whenever the team hit a rough spot they looked to guard Dave Rice who was the leader on the floor, and also a defensive standout. Junior John Veach added strength to both the defensive and offensive efforts by gathering in rebounds and cashing in on tip-ins.

With this full season behind each of the team members, the hopes for next year's varsity are anything but dim.

Although the matmen, as a team finished off the season with a disappointing 2-8 record, there were many individual titles. The most decorated wrestler was Joe Berto. He not only placed in the suburban six and the district meets, which allowed him to go to the State meet, but he was also voted the captain and outstanding wrestler of the season.

The other wrestlers who placed in the league meet were; Jim Thomas, who placed 1st, John Krizan and Steve Whisler who placed 2nd, Joe Berto 3rd, John Munro, Rich Taddonio and Dan Moritz all placing 4th. The only other wrestler who went to the State meet was Steve Whisler.

"... comparing leagues, ours is tough!" remarked head coach Klozik, as he looked out on the new fences and mounds of virgin dirt that were soon to be his new home field. And a look at the record book made his truth self-evident. The Bulldogs, Les Anders Champions of 1967, had an eight win, one loss non-league record to compare with an even five-five break in the Suburban Six league competition.

As the 1968 team hit the diamond, the experience may have been at a premium, but the spirit was everywhere. Returning from last years championship team, were Jim Powers, John Schroeter, Wayne Paulson, and Ken Grates. These veterans, coupled with the fine talents and ambitions of Ken Gabowski, Tim Malone, Bill Rice and a host of other eager juniors have truly given the Bentley nine the face-lifting it needed to be top-dog.

After the snow melts, coach Klozik knows both field and team need a little "pepper."

Mr. McGlone

Donna:
You have such a
happy disposition!
Best to you
Mr. McGlone

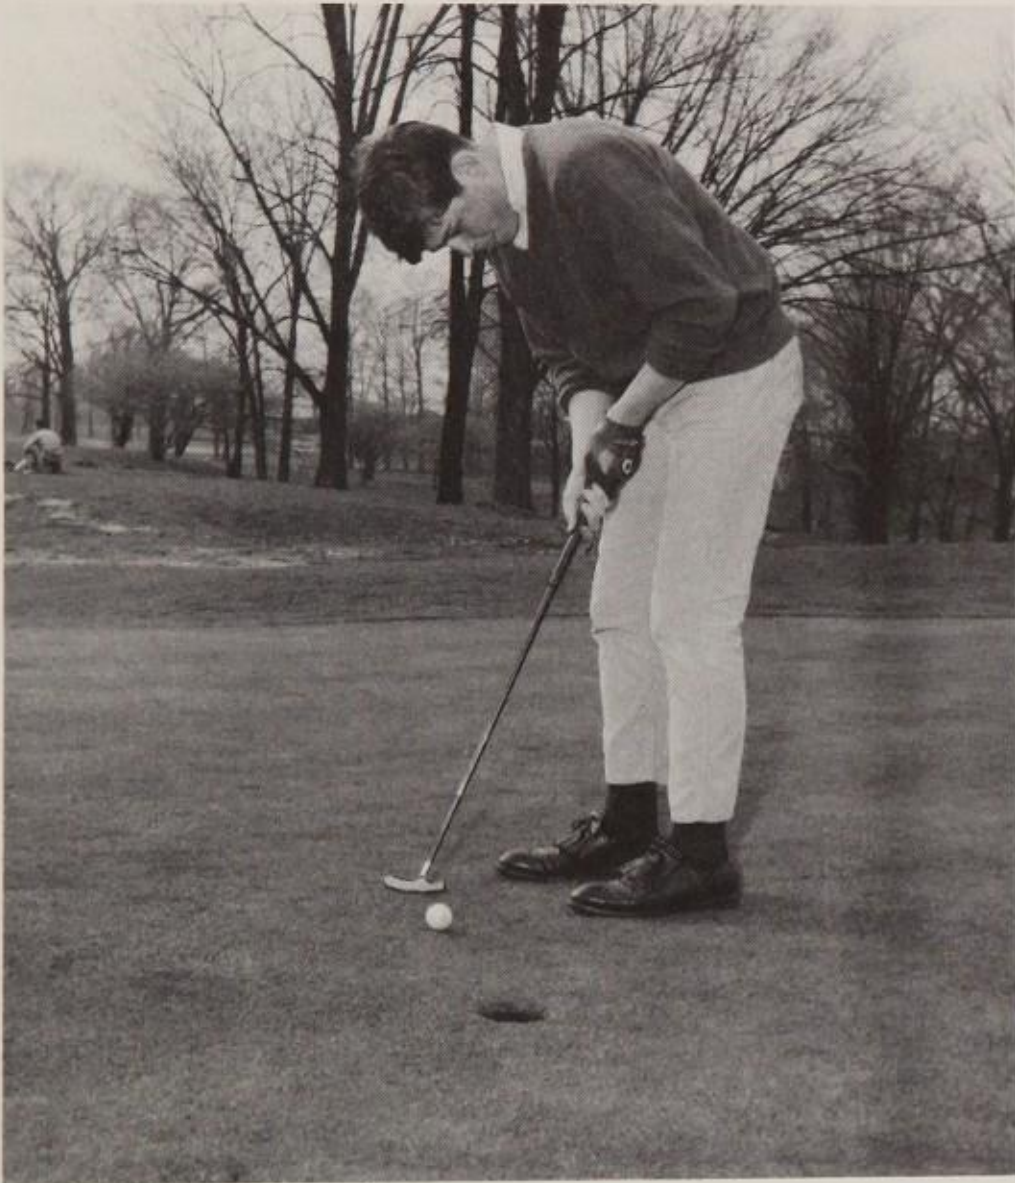

This year Mr. McGlone was faced with one of his biggest problems in eighteen years, to rebuild a golf team. From a core of three Juniors, a team was molded that could withstand the pressures of the tough Suburban Six competition. The team drove at surpassing last years record of 10 wins, 6 losses, and a finish of fourth place in the regionals.

Perhaps the biggest loss was Steve Kazmer, who last year lead the team by finishing first in the league competition and second in the regional.

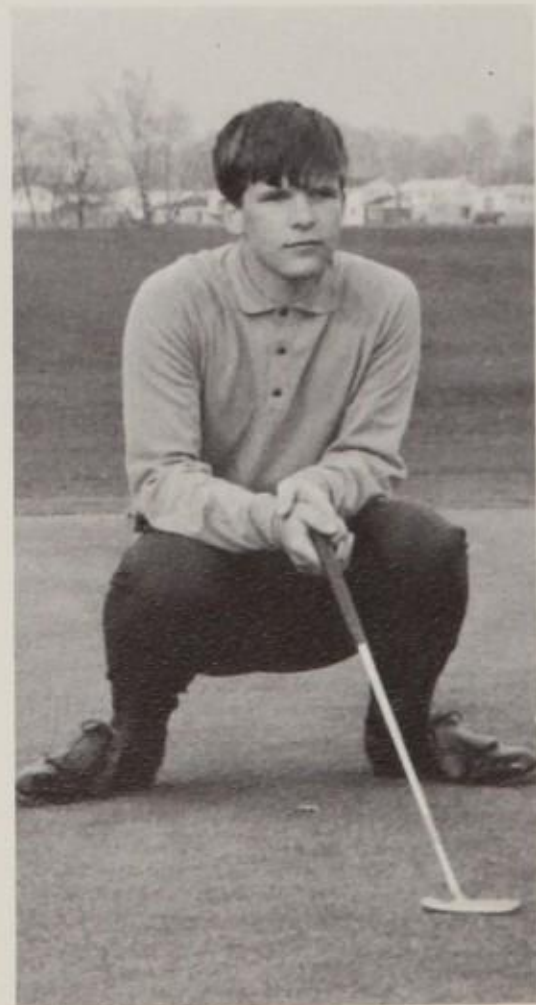

The hopes for the team rested mainly on the shoulders of Dave Davies, Mark Wilke, and Dave Soho, the returning veterans from last year. It was on the premise of a new start that the team dwelled, and went on to enjoy a good season.

Steve Kazmer demonstrates the concentration that made him league champion.

Mark Wilke prepares to drop vital putt.

Putting is where the game is won as this team member shows by sinking one.

Courtmen Net Best Regional Finish

Senior Ken Bollin returns a volley as his team cronies, Terry Richter and John Veech, look on.

John Russell focalizes all of his power into a devastating "sledge hammer" serve.

1968 Tennis team, standing: Greg Engles, John Veech, Mark Williams, kneeling: Gary Derian, Rich Kurtz, John Russell.

With the class of '68 being the smallest in three years, the number of returning veterans were also at a minimum. The quality was there but the quantity wasn't. And nowhere was the pinch felt as sharp as it was on the Bulldog tennis courts.

Last year's team finished third in the regional competition, the highest position any Bentley raquet squad has ever acquired, and also sent a doubles team to the state matches.

Ken Bollin held the most promise on the 1968 team, after competing in the state eliminations. John Russell and Mark Williams combined with Bollin to provide the only letter experience on the club. Juniors and sophomores added zest to the failing health of the club. And under the guidance of coach Arthur Whitefield, this team gelled into the league and region contender it was destined to be.

Bentley Girls See Selves As Victorious

Bentley's girls competitive sports program is very successful this year, turning out teams with high potential. The girls show spirit and skill, making the teams continually victorious. Field hockey is especially a successful sport, the team having a majority of victories. An outstanding match for the field hockey team was the defeat of Thurston, the results being 6-1.

Team effort determines the success of a team, this effort is demonstrated by the girl's swim team. The swim team proved itself in the victory over the Clarenceville swimmers.

Last year's basketball team had a fine season, being undefeated until they challenged Northville, losing by one point. With many girls returning from last year's team, many victories look close at hand this year.

Cheerleaders Reflect

The 1967-68 school year is marked with enthusiastic support of our Varsity and Junior Varsity cheerleaders. Their spirit and enthusiasm spread to the student body during the football games, basketball games, and pep assemblies.

During the summer of 1967 some of our Varsity cheerleaders went to a camp located near Eastern. At the camp our cheerleaders learned many new cheers to help drive our team on to victory.

The spirited and eager faces of Jackie Robinson and Sue LaFever help to spread enthusiasm during a basketball game at Bentley.

The Junior Varsity cheerleaders are (from top to bottom) Sharon Fitzsimmons, Bonnie Howarth, Jennie Upton, Sally Simpson, Pat Atkins, and Patti Shier.

Spirit of Bentley

Captain, Janine Slusser has shown her ability as a good and competent leader. Through many hours of hard practice and hard work she has helped to make our cheerleaders something to be proud of and good representatives of our school.

The spirit of our wrestling and swimming cheerleaders, which were started last year, is displayed during the wrestling and swimming meets. They add their enthusiastic support to help cheer on our swimmers and wrestlers.

The success of our cheerleaders can be witnessed at our games and meets. Through their participation and support our teams have a lot to be proud of.

Janine Slusser, cheerleading captain, helps to cheer our team onto victory.

The 1967-68 Varsity cheerleaders were (from left to right) Jackie Robinson, Janine Slusser, Jan Temple, Sue LaFever, Pat Teahan, Sue Upton, and Cindy Strejan.

Class of '69 Has Plenty of

The Junior class has demonstrated much school spirit in their two years at Bentley High. Through active participation in float competition, canned food drive, and Bentley's dances, they have shown concern for the wel-

fare of the school. Competent and hard working leaders have made this possible.

With the class unity displayed this year, the Juniors have the potential of becoming an outstanding senior class.

ACTIVITIES

Student Council President, Dave Ducharme, tells members of the projects that are on the calendar for this year.

The representative council of the student body, the Student Council, works with the faculty and administration to reach a mutual harmony between students and teachers. A branch of this harmony is the Student Advisory Board. The board was set up as a median between the student and the administration.

Besides dealing with the overall problems of students, the Student Council sponsors many activities throughout the year. One of these is the annual canned food drive, which not only provides class competition, but also gives food to the needy of Livonia around Christmas time.

The Student Council also supports a foster child in South Korea. This project was taken over by them in 1963 and is still supported with enthusiasm.

The activeness of the Student Council also covers such projects as the used book store, lunchroom policies, friendship committees, and Sophisticates' Day.

As seen by its many activities, this year's Student Council has truly kept the fine tradition set by previous Councils.

An overall shot shows the attention and importance that each representative puts on his duties to the Student Council.

Chris Krumpoch was a Bentley representative for AFS last summer. She took a boat from New York to Rotterdam. She spent three months with the Worgotter family in Austria. Chris had the chance to live life as an Austrian. She worked in the hay fields and did everything else that one from Austria does. Life was different from any other she has ever known. It was truly an experience and one that Chris Krumpoch will never forget.

Activities To Help a Worthwhile Cause

AFS is a club designed to promote fellowship throughout the world through the sponsoring of exchange students. To do this it labors long hours through the year to obtain the necessary funds for transporting exchange students to Bentley, and for sending Americans abroad.

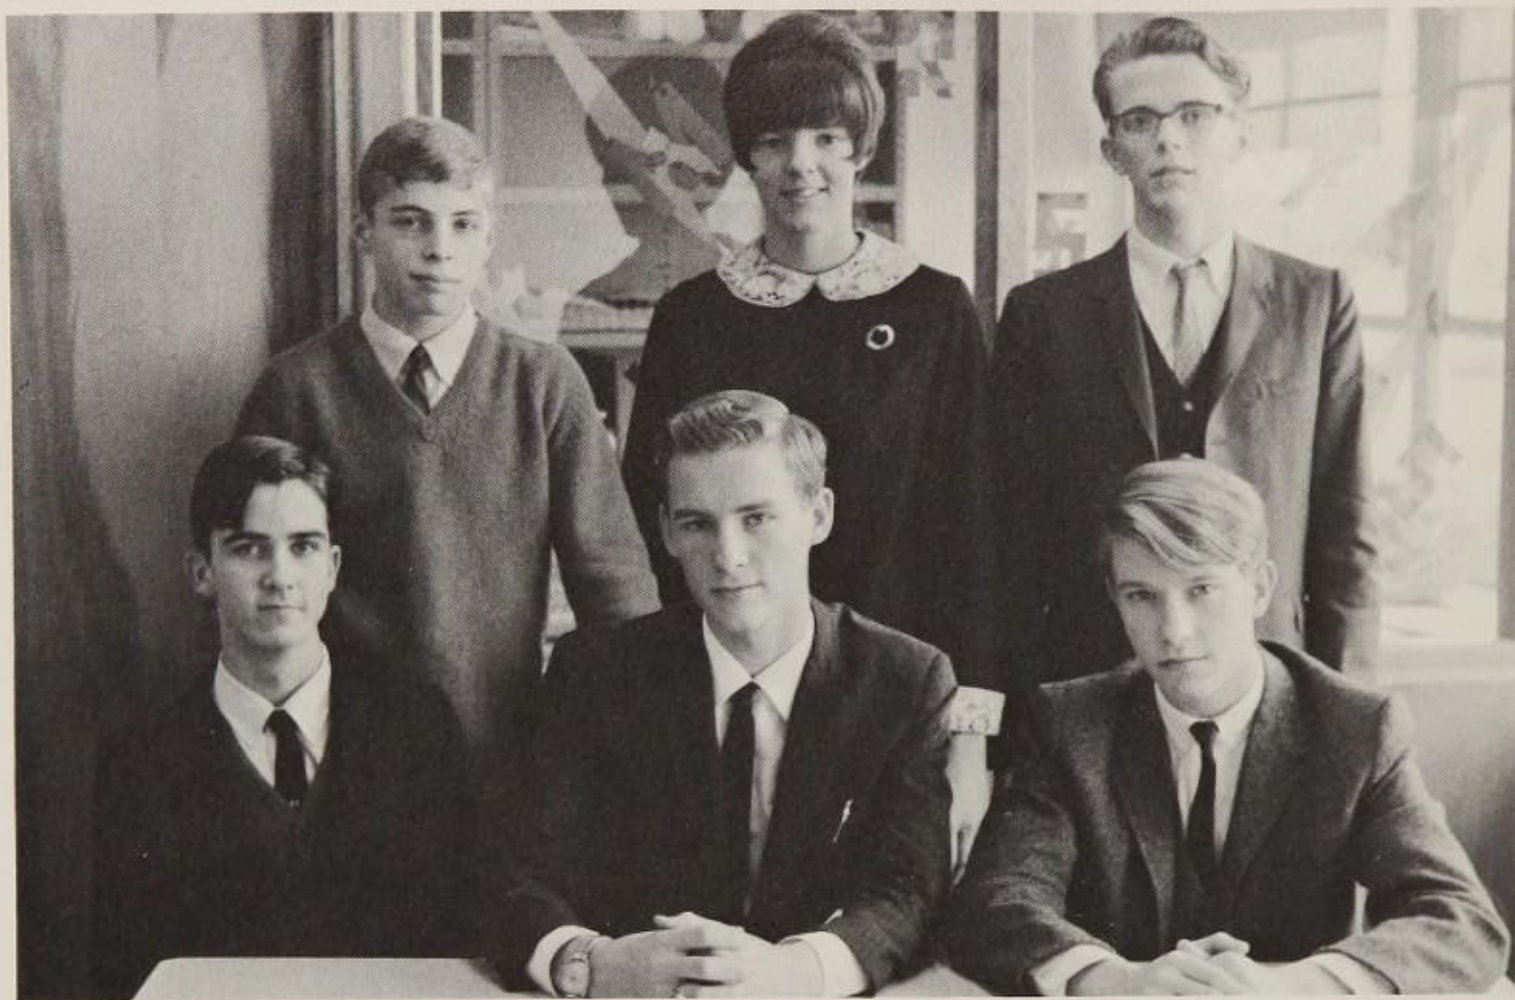

The Ugly Man Contest, curb painting expeditions, sock hops, and concessions, are just a few of the money-making projects in which the AFS club engages itself.

This year's exchange students, here to experience a memorable year at Bentley and the U.S.A., are Per Sandberg from Sweden and Shirin Akbarpour from Iran. The opportunities offered by AFS are numerous and truly worthwhile. Just ask Per or Shirin.

Shirin Akbarpour and Per Sandberg discuss the thrills and fun that they have experienced in the '67 year.

Forensic, Debate Clubs Encourage Students

Forensics members perform multiple readings.

The Forensics Club provides opportunities for Bentley students to gain experience in speaking. Its members participate in educational activities throughout the year, but the biggest event for them is the Forensics Contest. For this contest, the club invites all interested Bentley students to join with them in giving speeches and readings. This year the District Forensics Contest is also being held at Bentley.

in Speaking

The Debate Club is an important club at Bentley. It enables Bentley students to learn the correct techniques in debating and also gives them a chance to participate in educational and interesting debates. The members of the club are hardworking and enjoy debating among themselves and with students from other schools. They are trying again this year to uphold Bentley's fine record of debating.

MUN Serves as Model for All BHS

Richard Bennett presents answers to MUN.

Left to Right - Phil Thomas, Karen Fields, Richard Kurtz, Jeff Almburg, Jann Book, Mark Wilkie and Cindy Hodges.

MUN members go further into current events than a mere glance at the newspaper. They are concerned with solutions for domestic problems and policies, as well as foreign affairs. The Model United Nations Club participates in government simulated functions.

In the spring MUN Clubs from all suburban schools, attend an United Nations General Assembly meeting at the University of Detroit. Each member is given a specific coun-

try to represent, before going. They do extensive research about their country and arrive able to argue, effectively about their country's stand in world affairs.

The four MUN delegations, this year, from Bentley, will be Algeria, Morocco, Rwanda and the United States.

The knowledge and experiences gained throughout the year will prove to be invaluable and aid in the future of our own government.

There is no limit to where each member may explore. The Science and Radio and Electronics Clubs provide outlets for extra-curricular activities.

Members may participate in a special field trip, organized by the club, or work individually on an area of interest to them.

On Future Teachers Day, the faculty gives the members a chance to teach a few Bentley classes. The club is not only educational, but also very enjoyable for students interested in teaching.

A few Future Teachers gather around President Sue Brown.

Hopeful Careers

Future Nurses exhibit their nursing abilities on Norine Nowak.

The purpose of Future Nurses is to offer Bentley students an opportunity to gain experience in their chosen careers. The girls get a chance to hold responsibilities that will be useful to them later in life. The members go on outings and sometimes invite guest speakers to their meetings. Moderns Discuss Domestic Future

Young Moderns Club teaches its members to become more creative and experienced homemakers. This busy club has many things to offer a girl interested in the art of homemaking.

This year the club had many diverse activities in which the girls participated. One of these was a Halloween Party which they gave for some children in a Nursery School. Young Moderns have proven their promise for a more modern world of homemaking.

Chess and Bridge Fans Start New Club

The S.B.B.C., or Chess Club is one of the newest organizations in Bentley. The club's growth is due to its eye-catching publicity, and the interest and participation of its members.

The purpose of the Chess Club is to bring together Chess minded students so that they may enjoy themselves participating in Chess and bridge games. These include games played for fun, and also games played in competition — where tournaments are staged between club members.

Members of the Chess Club play run-offs for a tournament, as others watch interested.

German Club Enjoys Foreign Culture

Mrs. Siersma points out to members of the German Club a section of history in the German culture.

The German class offers to the student the opportunity to begin the language, and the German Club is an outlet for his interests and ambitions. Through this club, members improve their fluency in the language, learn the customs of a foreign land and, at the same time, have fun. The Dramatic Side of Bentley

The Masque and Mike Club has many functions, one of them being an outlet for Bentley students in which to express themselves.

Another function is to promote better understanding of the theatre and its production. This knowledge is later utilized in presenting short plays within the club itself.

Because of enthusiastic participation from all its members, Masque and Mike has proven to be one of the most successful organizations in Bentley.

'Famous Musicals' Lead Way to

The 1967 Homecoming float winner is the Class of '69 with "Babes in Toyland."

The Homecoming half-time festivities are centered around "Famous Musicals." The Seniors feature "Showboat," the Sophomores have "The Wizard of Oz," and the winning float is entered by the Class of '69 and entitled "Babes in Toyland." The floats of the clubs are also based on this year's theme, "Famous Musicals." The whole evening turns in a total success with a 33-0 victory for Bentley with a triumph over Belleville.

Keeping with the theme, the dance, sponsored by the Bentley *Echo* staff, centers around "Camelot." The highlight of the dance is the reigning court, out of whom Sue Leidholdt is crowned Homecoming Queen for 1967. All of the girls on the court are pleased and happy to share in the joy with Sue.

The 1967 Bentley High School Homecoming is a fun-filled event for all who attend. This includes the students, alumni, and faculty members.

The newest club to come to Bentley is the Scuba Diving Club. This club is open to all students who know how to scuba dive, or would like to learn. The main purpose of the club is enjoyment. Although just started this year, the Scuba Diving Club was greeted with enthusiasm by water loving students.

The first year for a new club is always filled with organizing its activities. The Scuba Diving Club has been kept busy obtaining equipment for their outings. Although they have to spend the winter months practicing in the pool, the Scuba Diving Club plans to go on several outings when spring comes.

Bentley's Dog Patch Bachelor Catch

Sadie Hawkins makes her annual appearance this year at the Dog Patch Bachelor Catch. This is the one time of the year when women are superior to men. Girls show their creativity in the corsages and patches they make for their men a week before the dance.

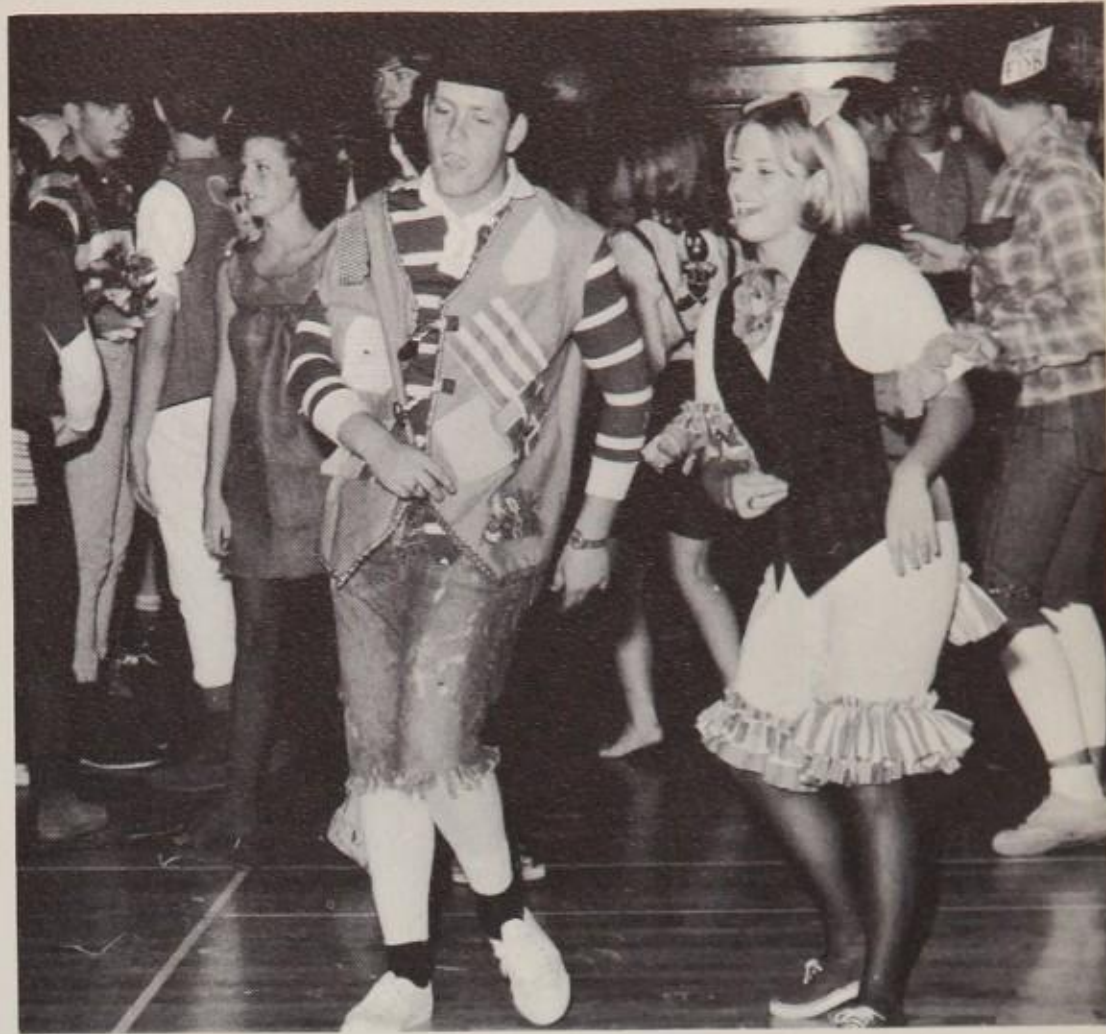

Topping off the night is Ol' Marryin' Sam making his annual appearance at the pulpit. But before the couples are married, they are given a chance to relieve all of their hostilities at the sponge throw. After exchanging their marriage vows, each couple receives two photos for a remembrance of a wonderful, fun-filled evening of Hoky-pokying, bunny-hopping and boogalooing!

Pat Ahola seems to be keeping things in hand at Sadie Hawkins with Tim Roberts and Paul Showerman.

Girls have the rare pleasure of asking their favorite beau out, here Steve Reynolds and Lori Lafeurer dance at the Bachelor Catch.

Joining in the fun, are seniors Joyce Starbird and Bill Collett.

The Junior Class, who sponsors this affair, have the responsibility of choosing a Daisy Mae and L'il Abner. Kathy Densmore and Fred Howell are elected as these ideal characters. Also appearing on the scene is the Chug-a-Lug Jug Band, combining five talented girls with five unique talents. Barb Osburn plays the trash can with sensational syncopated rhythm, while Ivy Boicourt taps in the beat with her wooden spoons. The harmony is played by Arlene Quarfoot on an inexpensive scrubboard and a plunger, plunked by Pat Koretz, tunes in as the bass. The Jug Band features Mary Tiedeman blowing the melody in a jug of hot red-eye! Interrupting the band for sixty seconds, is a commercial presenting "New Country Corn Flakes" sung by Kathy Densmore and Denny Young.

Taking out hostilities at the sponge-throw is Mary Stang.

Wrestling Cheerleaders: Patti Leonhardt, Carrie Stalzer, Carol Geppert, Linda Henningar.

Relaxation as Well as Serving Others

Girl's Athletic Association, GAA, is an organization that sponsors the girls in sports such as basketball, field hockey, swimming, and tennis. Other than sports the GAA of Bentley involves itself in many worthwhile activities such as making fruit baskets for convalescent homes. A money making project that the girls support is having concession stands at one of the basketball and football games.

Many events are supplied for the club to join in on. There is usually a toboggan party, bowling party, and several other fun events that each and every girl enjoys being a part of. Each girl has the chance not only to become a member of this club, but also to earn a letter which is worn on a white sweater. This is a part of GAA that all also enjoy. There is the opportunity to participate in the activities for everyone, as the main emphasis is put on sportsmanship and not on ability.

The strength and stamina of GAA is symbolized by Nancy Kline as she exercises on the balance bars.

The trampoline stunts are expertly done as "swivel hips."

President of GAA, Carolyn Wood, shows pride in the club with a beaming smile.

Swans Swim for Fun and Profit

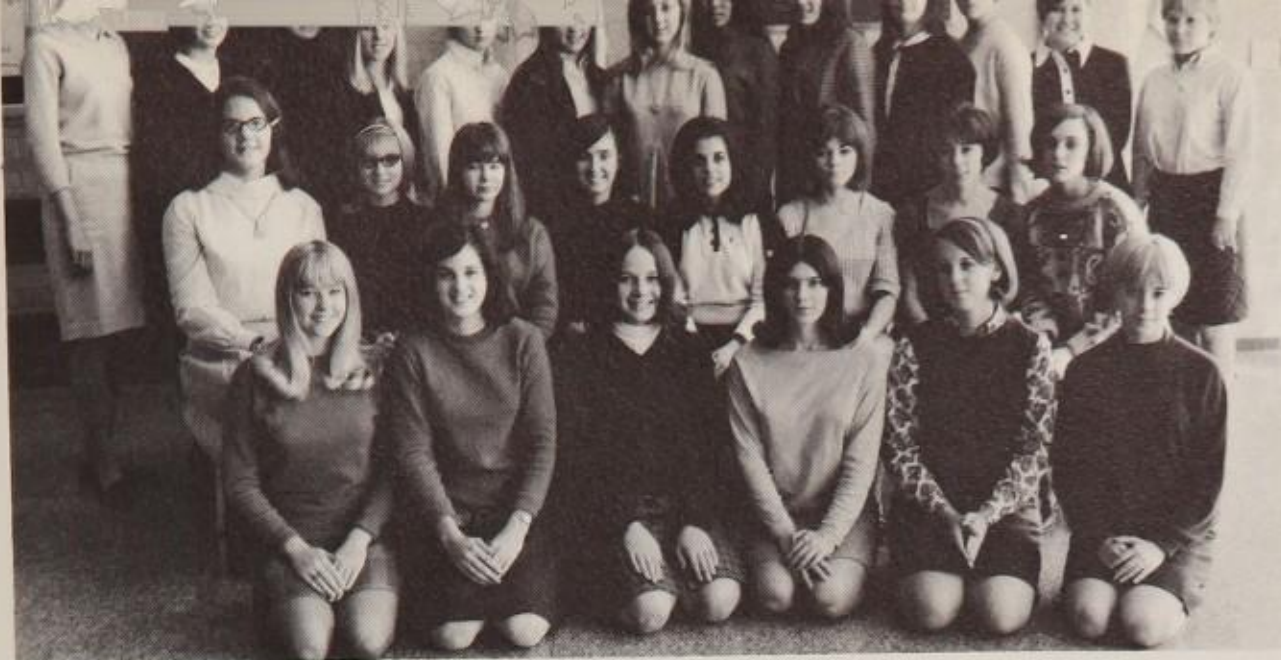

Silver Swans is a club designed for girls who already have good swimming skills and are able to stand the vigorous clinics and workouts to become members. Those that are selected prove that all their work is worthwhile. Their annual show is a pleasurable event. The girls execute their skills in the various original numbers with ease. Synchronized swimming is still another type of club a student may join.

Seniors Lead in Spirit for '68

Nancy McIntyre discusses plans for the Senior Banquet.

During their third year at Bentley, the Class of '68 continued to demonstrate the outstanding spirit and drive they had exhibited over the previous two years. The dedicated leadership of Bob Myers and the other officers helped to unify the Seniors into one of the best and most spirited classes Bentley has ever seen.

Strong organization and enthusiasm allowed the Seniors to elect this year's Ugly Man with an unprecedented amount of participation, and paved the way for their exuberant victory in the Spirit Jug competition. Through the efforts of many, the Senior play, "A Connecticut Yankee In King Arthur's Court" proved to be an exceptional success and provided entertainment for the whole school.

Senior spirit was not reserved for class activities alone, but was reflected in their support of all school events. Throughout the year they provided an example of leadership as they worked with underclassmen toward the betterment of the school. Every Senior can feel pride in being a part of the Class of '68.

Senior Class Council: *First Row* - S. Leidholdt, L. Hanson, D. Maddox, N. McIntyre, S. Kesler. *Second Row* - S. Mitchell, J. Berto, P. Funk, B. Myers, T. Preston, L. Core. *Third Row* - L. Buckley, S. Akbarpour, T. Ditzhazy, G. Stewart, A. Watt, C. Krumpoch, J.

Leslie Hanson, Carol Thomas, and Sue Leidholdt add charm and grace to the Senior float, Showboat, as it parades proudly around the field at Homecoming.

Apparently suffering from a bad case of Senioritis, Bob Stelzer appears to be enjoying his Government class.

Bob Myers conjures up a spell as Merlin in the Senior Play.

'68 . . . A Year of Variety

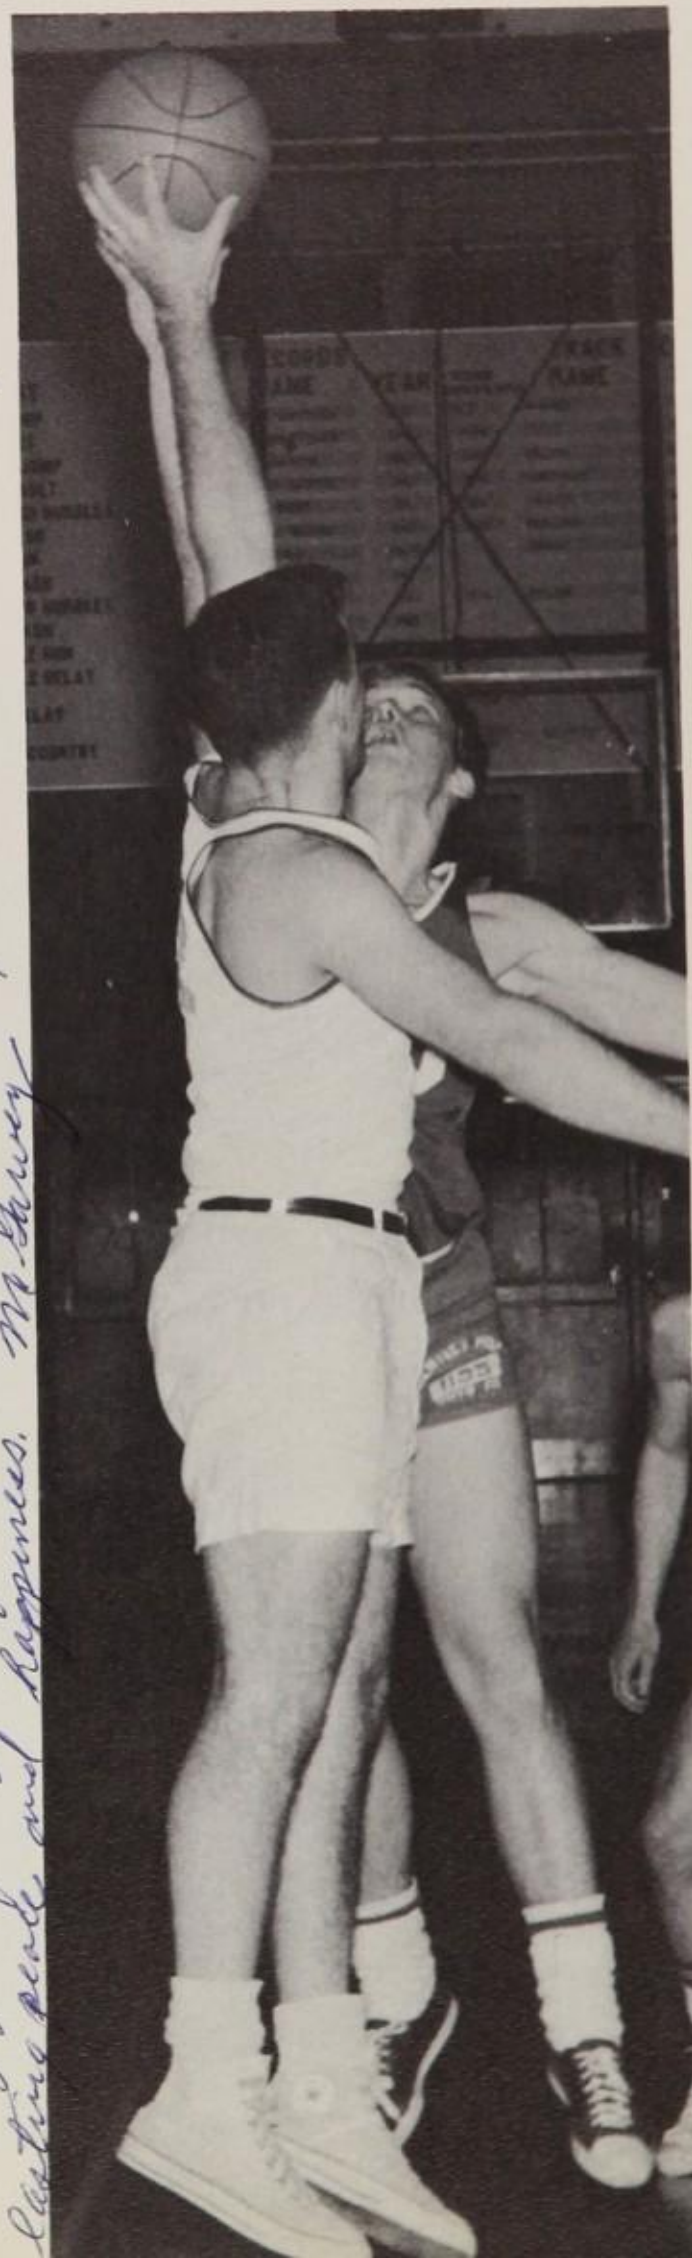

Barb Milewski displays a seriousness of purpose which is so important in every Senior's future.

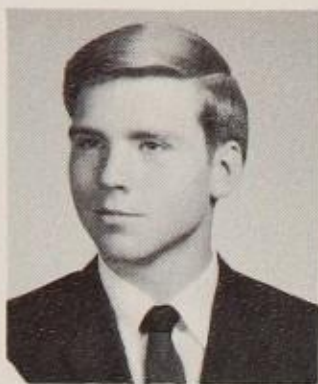

Bill Little and Per Sandberg, Bentley's exchange student from Sweden, listen intently to a lecture in class.

Mr. Garvey and Bob Buckley stretch for the ball in an exciting moment at the Senior-Faculty Game.

Biggest Yankee

One of the high points of the year for the Senior Class as well as the school was the Senior Play, "A Connecticut Yankee in King Arthur's Court".

Combining the excellent direction of Mrs. Sutherland with a talented cast of actors and a hard-working crew, the play was an overwhelming success. Bill Garvey as Hank, Bob Myers as Merlin, and Peggy Moore as Morgan LeFay headed an enthusiastic cast, backed up by such talented 68'ers as Rich Staky, Ann Watt, Brenda Dake, Rick Nott, Bill Grzywacz, Jon Weeman, Kitti Wolfe, Greg Mazlac, Nancy Reum, Sandy Moore, and Chris Krumpoch. Student director Ginni Havlik and Student Producer Jenny Pappas added their creativity to the production.

With the rise of the curtain on opening night, months of hard work came to an exciting climax in what was the dramatic highlight of the year.

Little knowing the trouble she will bring, Bill Garvey welcomes Peggy Moore to the kingdom.

Seniors Do Everything But Score

This year the Senior Class once again sponsored the classic battle between the Super Seniors and the Fanatic Faculty. The proceeds from the game were split between the American Field Service and Dollars for Scholars.

Many felt that this was the strongest team ever assembled by the Seniors in the history of the game. It was a tough battle both on the court, and prior to the game in the classroom. The faculty got out to a quick lead which they never relinquished. This sad story was to hold true throughout the night for the Seniors, as the Faculty won by a final score of 33-24.

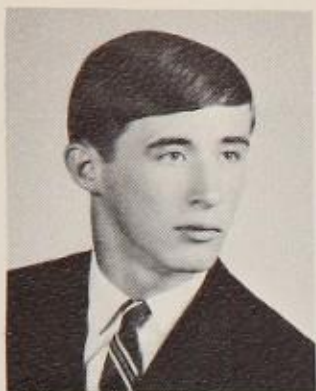

After the game, one of the lowest scoring in the clashes existence, Coach Jim Powers had these words, "We played well and everyone tried their best to win it for us. We did everything but score."

First Row - R. Allen, J. Schroeter, B. Warren, M. Simons, P. Shipley, T. McGhie. Second Row - G. Elsner, W. Paulson, B. Roberts, R. Staky. Third Row - Coach Jim Powers, B. Buckley, T. Preston, M. Urbats, T. Wallace, K. Grates.

First Row - R. Kremkow, D. Webster, R. Fedraw. Second Row - L. Dove, R. Hanton, R. Foster, M. Garvey, K. Knipschild. Third Row - W. Relyea, R. Dingman, R. Strong, A. Whitefield, A. Soroka.

The faculty women muster a weak smile for their equally weak team. *First Row* - Mrs. Siersma, Miss Golding, Mrs. Powers, Mrs. Sarris. *Second Row* - Miss Ptak, Mrs. Bridges, Mrs. Segowski, Miss Schauble, Mrs. Cowden.

Senior Girls

It began with the mighty roar of the multitudes as the Super Senior girls dribbled onto the court. Not once during the entire game did the excitement dwindle. Senior Spirit dominated the action, as Jan Temple sank three field goals in the first quarter. Right behind Jan were Debbie Tiedeman with 4 points, Sue Upton, Gloria Houde-shell, and Chris Krumpoch, each with 2. Abounding in skill, determination, and good looks, the 68'ers crushed the aged faculty, 16-9. Although Mrs. Sarris did heroically attempt to pull the women ahead by scoring 5 points, the fat-culty failed to shake up the calm girls with their shouts of E-5!

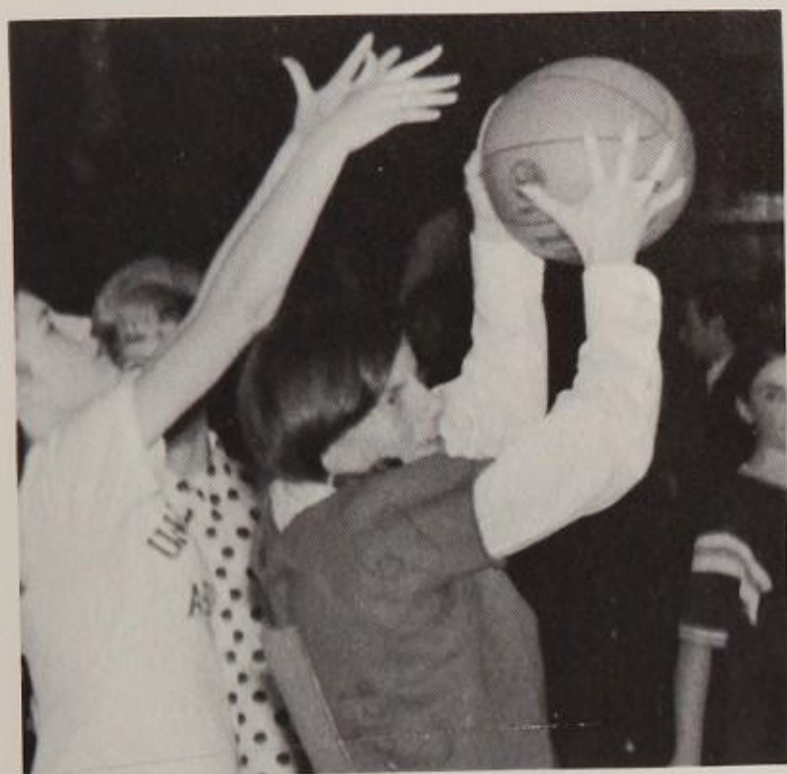

It was an entertaining and exciting time for all, and still more proof that the Senior Girls are in fine shape.

Cool Hand Jan (Temple) pops in a deuce for the Super Senior Victory.

Ought-to-do-it Auten and Miss Ptak hustle for a rebound, but the faculty-ite won out, a rare occurrence indeed.

in Fine Shape

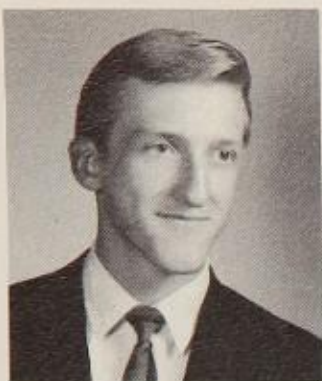

Lynnie-Pooh Core, one of the top Senior rebounders, steals another one from the faculty.

Spirited Senior Girls: *First Row* - Prissy Chrissy Pumkrock, Chug-Along Chenoweth, One Basket Moore, Crazy Legs Calleja, Spastic Spiro, How-to-do-it Houdeshell. *Second Row* - Gail a Go-Go Seelye, Fruity Trudy (Ditzhazy), Cool Hand Jan (Temple), Hunkie-Funkie Broadway, Mighty Mac-

Intyre, Lynnie-Pooh Core. *Third Row* - Tip-In Thomas, Carolyn Buck-shot, Sink-it Cyndy (Strejan), Smoke-um Stokes, Dizzy Ditzhazy, Twinkle Toes Tiedeman, You Faculty, Me Jane (Massingill). *Fourth Row* - Coach Lead Head Leidholdt, Swishing Slusser, Aught-to-do-it Auten, Hand-off Hanson.

ADVERTISING

The Bentley Pioneer has always been supported, in part, by business establishments in and around Livonia. They advertise in the Pioneer because they consider it a wise investment. These patrons, some of whom have advertised in our yearbook for many years, realize that their businesses do benefit by appealing to the teenage market.

The Pioneer staff appreciates the support received from these advertisers very much. As our advisor, Mr. Foster, has commented, "Advertising is the bread and butter of our yearbook."

The Harrison-Moore Story...

Chester G. Moore

is one that typifies our American Heritage. Its formation not only merged two established Detroit families of long standing but also combined their many years of experience and know how in the real estate and mortgage field. They are recognized today as one of the leading realtors in the Wayne County, Oakland County area. Even from the beginning their success was rapid and their growth was steady. They now operate three offices. Harrison-Moore's newest building pictured below is considered to be a model of the real estate office of the future. This building was made possible by the confidence placed in the Harrison-Moore Company by the people in the communities they serve.

Dan B. Harrison

The Home Sales Tour

The home sales tour is an extra you get with Harrison - Moore. This tour enables every member of the sales staff to physically inspect every property that comes into the office. After actually seeing the property they

are able to speak more intelligently and to quote facts more authoritatively to prospective purchasers. This enables every Harrison - Moore salesperson to select a home fully suited to the buyers individual needs.

A Well Trained Active Sales Force

When you have found the home you have been searching for, you will be amazed at the ease with which your purchase is completed, from the time of your initial deposit until you are handed the keys.

We pride ourselves at Harrison-Moore in giving you the feeling that

"We Care"

The growth and success the Harrison-Moore Realty has experienced and enjoyed over these years can rightfully be shared by its many home owners and associates . . . for without their loyalty . . . without their criticism . . . and most assuredly — without their praise the Harrison-Moore Story could not be told.

"Trading more houses locally than any other firm"
